IYSA asks you coaches to submit, via your gotsoccer account, the dates you will not want to play league games in a given season (examples: league opening day, practice days, week days, tournaments you are attending etc etc)

- **Instructions on how to add blackouts are explained below after this email step by step (4 easy steps)!**

- Again, Blackouts are those dates when your team can't play for some reason (vacation, tournaments etc)

- You have unlimited blackouts .

- Let your DOC or registrar know if you do not know your TEAM login and password.
